25TH ANNUAL REPORT

Ladies & Gentlemen:

I have the honor to submit the 26th Annual Report of the Violent Crimes Compensation Board, hereinafter, referred to as VCCB for the Fiscal Year 2000. This report is rendered pursuant to the provisions of Title 11, Section 9013 of the Delaware Code.

Respectfully submitted by,

V. Lynn Gregory
Chairperson

LETTER FROM BOARD CHAIRPERSON

Victims of violent crimes suffer physically, mentally and financially. The Violent Crimes Compensation Board strives to alleviate some of the financial burden. It has been my pleasure to serve as Chairperson for the past fiscal year.

There was major staff change during the year. Ann L. DelNegro left the position of Executive Secretary after 24 years of service. Ms. DelNegro is currently on staff at Delaware Technical Community College. The Board wishes her the best in her future endeavors.

The office continued under the direction of Barbara Weiss as Acting Executive Secretary. We thank her for her hard work. The selection process was developed for the new Executive Secretary. Interviews were held and selection was made by the end of the year. Mr. Joseph Hughes will begin fiscal year 2001.

The Board assisted with and supported the legislation to expand our capacity to help victims.

On behalf of fellow Board Members: Leah W. Betts, Vice Chairperson, Thomas W. Castaldi, Saxton C. Lambertson, and Stephen L. Manista, I would like to offer my sincere thanks and appreciation to each individual who contributed time and effort to help make this program successful. Over the years the Board has experienced a great deal of commitment and cooperation from many individuals, agencies, and programs. Special recognition is given to Barbara E. Weiss, Acting Executive Secretary, and her staff: Marcia A. Jenkins, Diane Rideout-Memmolo, and Howard P. Wilson, Crime Compensation Claims Investigators; and Zelda White-Cropper, Senior Secretary. These individuals fortuitously devote their time and energy to help mend the lives of men, women, and children who suffer the effects of violent crime.

The Board is extremely grateful for the support it has received from the Honorable Thomas R. Carper, Governor; the Legislature; M. Jane Brady, Attorney General; law enforcement officials throughout the State; and Delaware's victim service's professionals who refer crime victims to the VCCB.

As we move into the next fiscal year, we will continue our work to help stabilize the lives of victims -- one by one. Though we cannot stop the violence, we can make our program readily available to assist each man, woman, and child who needlessly suffer from the ill effects crime often bestows upon them.

V. Lynn Gregory
Chairperson

FUNDING

In Fiscal Year 1975, the VCCB was allocated a one-time appropriation of \$137,000 from the general fund for project start-up. To generate revenue for subsequent years a "penalty assessment" was placed into law, whereby, a 10% surcharge was levied on every fine, penalty, and forfeiture imposed and collected by the courts for criminal offenses. All revenue collected from the assessment is deposited into a revenue holding account entitled "Victim's Compensation Fund" to administer the program. Throughout the years, the surcharge has increased from 10% to 15% to its current rate of 18%. Revenue has increased from the initial appropriation of \$137,000 in FY 75 to a year-end revenue account balance of \$9,664,895.91 for FY 2000.

Reimbursements to the victim's compensation fund include court-ordered restitution, subrogation recoveries, probation interest, assessments on sexual offense convictions, and other miscellaneous revenue.

VCCB law grants all aggrieved claimants the right to appeal to the Superior Court of the State of Delaware within thirty (30) days of the Board's decision. A claimant may choose to waive the thirty (30) day waiting period by appearing before a notary and signing a "Right of Appeal Waiver" form. If the claimant chooses this path, any award granted is released immediately. If the claimant does not sign the waiver, the VCCB must wait thirty (30) days from the Board's decision before payment is released.

In accordance with the thirty (30) days appeal period, not all awards granted during FY 2000 were paid out. Awards statutorily authorized for release were \$814,473.89 with payout of \$741,860.29, and reserves of \$72,613.60. Reserves will be paid next Fiscal Year after the lapse of the thirty (30) days appeal period.
